ORDINANCE NO. 4

AN ORDINANCE levying an admission tax on persons paying admissions, or who are admitted free or at reduced rates to any place; fixing the amount and providing for the collection thereof; and prescribing penalties.

BE IT ORDAINED BY THE COUNCIL OF THE TOWN OF GIG HARBOR:

Section 1. Definitions: For purposes of this ordinance, words and phrases shall have the following meanings:

"Admission Charge", in addition to its usual and ordinary meaning, shall include a charge made for season tickets or subscriptions, a cover charge or a charge made for use of seats and tables, reserved or otherwise, and similar accommodations; a charge made for food and refreshments in any place where any free entertainment, recreation or amusement is provided, a charge made for rental or use of equipment or facilities for purposes of recreation or amusement, and where the rental of the equipment or facilities is necessary to the enjoyment of the privilege for which a general admission is charged, the combined charge shall be considered as the admission charge; and a charge made for automobile parking where the amount of the charge is determined according to the number of passengers in an automobile.

"Treasurer" shall mean the Town Treasurer.

"Place" includes, but is not restricted to, theatres, dance halls, amphitheatres, auditoriums, stadiums, athletic pavillions and fields, baseball and athletic parks, circusses, side shows, swimming pools, out-door amusement parks, and such attractions as merry-go-rounds, ferris wheels, dodge 'ems, roller coasters, and observation towers.

"Person" means any individual, receiver, assignee, firm, co-partnership, joint venture, corporation, company, joint stock company, association, society, or any group of individuals acting as a unit, whether mutual, cooperative, fraternal, non-profit or otherwise.

Section 2. (a) There is hereby levied and imposed upon every person (including children, without regard to age) who pays an admission charge to any place, including a tax on persons who are admitted free of charge or at reduced rates to any place for which other persons pay a charge or a regular higher charge for the same or similar privileges or accommodations, which said tax shall be in the amount of one cent for each twenty cents or fraction thereof paid for the admission charge.

(b) Whenever the admission charge is ten cents or less, at permanent places of amusement, no tax shall be payable, nor shall any tax be payable by any bone fide employee of the place or by any federal, state, or municipal officer or employee on official visits, or by any newspaper reporter, or by any children under twelve years of age, who is admitted free.

(c) Whenever any person is admitted free or at reduced rates to any place at a time and under circumstances where an admission charge is made to other persons for the same or similar accommodations, a tax shall be payable by the person so

is collected or received; Provided, that the first return and remittance under this ordinance shall be made on or before the 15th day of January, 1947 and shall cover the period from and including November 1st, 1946, to and including December 31st, 1946. Payment or remittance of the tax collected may be made by check, unless payment or remittance is otherwise required by the Treasurer, but payment by check shall not relieve the person collecting the tax from liability for payment of the tax to the Treasurer unless the check is honored and is in the full and correct amount. The person receiving any payment for admissions shall make out a return upon such forms and setting forth such information as the Treasurer may require, showing the amount of the tax upon admission for which he is liable for the preceding bi-monthly period, and shall sign and transmit the same to the Treasurer with a remittance for said amount: Provided that the Treasurer may in his discretion require verified annual returns from any person receiving admission payments setting forth such additional information as he may deem necessary to determine correctly the amount of tax collected and payable. Whenever any theatre, circus, show, exhibition, entertainment, or amusement makes an admission charge which is subject to the tax herein levied, and the same is of a temporary or transitory nature, of which the Treasurer shall be the judge, the Treasurer may require the report and remittance of the admission tax immediately upon the collection of the same, at the conclusion of the performance or exhibition, or at the conclusion of the series of performances or exhibitions or at such times as the Treasurer shall determine; and failure to comply with any requirements of the Treasurer as to the report and remittance of the tax as required shall be a violation of this ordinance. The books, records and accounts of any person collecting a tax herein levied shall, as to admission charges and tax collections, be at all reasonable times subject to examination and audit by the Treasurer.

Section 5. Any person conducting or operating any place for entrance to which admission charge is made, shall on a form prescribed by the Treasurer, make application to and procure from the Treasurer a Certificate of Registration, the fee for which shall be One Dollar (\$1.00), which certificate shall continue valid until the 31st day of December of the year in which the same is issued, beginning with the 1st day of January, 1947. Such certificates of Registration or duplicate or original copies thereof to be issued by the Treasurer without additional charge, shall be posted in a conspicuous place in each ticket or box office where tickets of admission are sold.

Section 6. Whenever a Certificate of Registration is obtained for the purpose of operating or conducting a temporary or transitory amusement, entertainment or exhibition by persons who are not the owners, lessees or custodians of the Building, lots or place where the amusement is to be conducted, the tax imposed by this ordinance shall be reported and remitted as provided in section 4 hereof by said owner, lessee or custodian, unless paid by the person conducting the place. The applicant for a Certificate of Registration for such purpose shall furnish with the application therefor the name and address of the owner, lessee or custodian of the premises upon which the amusement is to be conducted, and such owner, lessee, or custodian shall be notified by the Treasurer of the issuance of such certificate and the joint liability for collection and remittance of such tax.

admitted in an amount equal to the tax payable by such other persons for the same or similar accommodations.

(d) Whenever the charge to women for admission to any place is less than the charge made to men, or when such women are regularly admitted free, the lesser charge shall not be deemed to be a reduced rate under this ordinance, and the amount of tax payable by said woman admitted at a lesser charge shall be in an amount equal to the tax payable upon the charge made to men for the same or similar accommodations.

(e) Amounts paid for admission by season ticket or subscription shall be exempt only if the amount which would be charged to the holder or subscriber for a single admission is ten cents or less.

(f) Whenever tickets or cards of admission are sold elsewhere than at the ticket or box office of the place, any price or charge made in excess of the established price or charge therefore at such ticket or box office shall be taxable in a sum equal to 10% of the amount of such excess, which tax shall be in addition to the tax on the ticket or box office admission charge, shall be paid by the person paying the admission charge and shall be collected and remitted in the manner provided in Section 4 hereof by the person selling such tickets.

Section 3. The price (exclusive of the tax to be paid by the person paying for the admission) at which every admission ticket or card is sold shall be conspicuously and indelibly printed or written on the face or back of that part of the ticket which is to be taken up by the management of the place to which admission is gained; and it shall be unlawful for any person to sell an admission ticket or card on which the name of the vendor or the price is not so printed, stamped, or written, or to sell an admission ticket or card at a price in excess of the price printed, stamped, or written thereon.

Section 4. Every person receiving any payment for admissions on which a tax is levied under this ordinance shall collect the amount of the tax imposed from the person making the admission payment. The tax required to be collected under this ordinance shall be deemed to be held in trust by the person required to collect the same until paid to the Treasurer as herein provided. Any person required to collect the tax imposed under this ordinance who fails to collect the same, or, having collected the same, fails to remit the same to the Treasurer in the manner prescribed by this ordinance, whether such failure be the result of his own act or the result of acts or conditions beyond his control, shall nevertheless be personally liable to the Town for the amount of such tax, and shall, unless the remittance be made as herein required, be guilty of a violation of this ordinance. The tax imposed hereunder shall be collected at the time the admission charge is paid by the person seeking admission to any place and shall be reported and remitted by the person receiving the tax to the Treasurer in bi-monthly installments and remittances therefor on or before the 15th day of the next succeeding month after the end of the bi-monthly period in which the tax

Section 7. The Treasurer shall have power to adopt rules and regulations not inconsistent with the terms of this ordinance for carrying out and enforcing the payment, collection and remittance the tax herein levied; and a copy of said rules and regulations shall be on file and available for public examination in the treasurer's office. Failure or refusal to comply with any such rules and regulations shall be deemed a violation of this ordinance.

Section 8. The tax hereby levied and imposed shall be collected and paid on and after November 1st, 1946.

Section 9. If any portion of this ordinance shall be adjudged invalid, such invalidity shall not affect the portions which are not adjudged invalid.

Section 10. Each violation or failure to comply with the provisions of this ordinance shall constitute a separate offense and shall subject the offender to a fine of not to exceed One Hundred Dollars or to imprisonment in the County Jail for not to exceed thirty days, or to both such fine and imprisonment.

Officers of the Police Department are hereby authorized to direct all traffic, either in person or by means of visible or audible signal, in conformance with the provisions of this code, provided that where necessary to expedite traffic, or to prevent or eliminate congestion, or to safeguard pedestrians,

such officers, or in the event of a fire or other emergency, such officers and officers of the Fire Department and of Pierce County Fire Prevention District No. 5 may direct traffic as conditions may require, notwithstanding the provisions of this code.

At street intersections where necessary in order to prevent congestion of traffic, the Town Marshall is hereby authorized and directed to prescribe the direction and limit the flow of traffics past such intersections.

Section 8. The School System in conjunction with the State Patrol may appoint from the student bodies of public and private schools in the Town, special policemen who shall be designated as "School Patrol." They shall be equipped with badges marked "School Patrol," and are hereby authorized to direct traffic at school crossings only. They shall be subordinate to, and obey all orders of, any police officer of the Town.

Section 12. Every person propelling any push cart or riding a bicycle or any animal upon the roadway, and every person driving any animal, shall be subject to the provisions of this code applicable to the operator of a vehicle, except those provisions with reference to the equipment of vehicles and those which by their very nature can have no application.

Whenever any motor vehicle without an operator is found parked or angled parked in violation of this code, the Officer who so finds it shall take its registration number and any other information tending to identify the owner thereof, and affix in a conspicuous place thereon a notice in writing on a form provided by the Town Marshal, for the operator to answer to the charge as shown thereon, within twenty-four (24) hours, at a time and place therein specified.

Any person who violates either his written promise to appear or the above provided notice to appear and answer the charge made against him, shall be guilty of a violation of this code, regardless of the charge for which such notice was originally issued.

Section 15. It shall be unlawful for any person to disobey the instructions of any official traffic sign, traffic signal or marks upon the street placed in accordance with the provisions of this code, unless otherwise directed by a police officer.

Section 17. It shall be unlawful to move, deface, injure, mutilate, obstruct or destroy any public traffic sign, signboard, guide-post, barrier, or any official traffic sign or signal, or to remove or disturb any light placed upon a disabled vehicle, or on, at, or near any obstruction or defect in street.

No operator or driver of a vehicle shall drive or operate such vehicle into a crosswalk designated and marked as a school crossing when there is in said crosswalk any pedestrian engaged in crossing the street.

Section 19. Every pedestrian shall yield the right of way to vehicles upon the roadway at any point other than within a marked or unmarked crosswalk or other place specifically provided for pedestrians; provided, however, that this provision shall not relieve the operator of a vehicle from the duty to exercise due care for the

safety of pedestrians.

Section 20. Where sidewalks have been provided in the streets, pedestrians shall travel on and along such sidewalks, and where no sidewalks have been provided, pedestrians traveling on the roadway shall travel on the left side of the same, and upon meeting an oncoming vehicle shall step off the paved or main traveled portion thereof.

Section 21. It shall be unlawful for any person to stop or loiter or to peddle or sell merchandise or publications on a street crossing or public place or at any point on a street so as to interfere with or obstruct traffic or travel, or for any person to congregate or to wilfully cause persons to congregate in any street in such a manner as to interfere with or obstruct traffic or travel or when so congregated to refuse to disperse upon being requested so to do by any police officer.

#### ARTICLE VII

##### Operation of Vehicle

Section 22. It shall be unlawful for any person while under the influence of or affected by the use of intoxicating liquor or any narcotic drug to operate a vehicle upon the streets or other places open to the public for travel.

Section 23. It shall be unlawful to drive a vehicle in a reckless manner upon the streets or other places open to the public for travel. For the purpose of this section, to drive in a reckless manner shall be construed to mean and include:

The operation of a vehicle carelessly and heedlessly in wilful or wanton disregard for the rights or safety of others or without due caution and circumspection, and at a speed and in such a manner as to endanger or to be likely to endanger any person or property.

The operation of a vehicle in such a manner as to endanger or inconvenience unnecessarily the users of the streets.

The failure of the operator of any motor vehicle to exercise due care and caution in compliance with all traffic laws and requirements in passing a school house on school days between 8:00 a. m. and 5:00 p. m., shall be prima facie evidence of reckless driving.

Section 24. It shall be unlawful for any person to operate a motor vehicle in a negligent manner over and along the public highways, streets or other places open to the public for travel. For the purpose of this section, to "operate in a negligent manner," shall be construed to mean the operation of a vehicle upon the public highways, streets or other places open to travel, in such manner as to endanger or be likely to endanger any persons or property.

The offense of operating a vehicle in a negligent manner shall be construed a lesser offense than, but included in the offense of operating a vehicle in a reckless manner, and any person charged with operating a vehicle in a reckless manner may be convicted of the lesser offense of operating a vehicle in a negligent manner.

Continued on next page

Section 25. Drivers shall proceed upon the right half of the street and as closely as practicable to the right hand edge or curb of the roadway except when overtaking and passing another vehicle in accordance with the limitations applicable to overtaking and passing.

Section 26. Every driver shall drive or operate the vehicle of which he is in charge so as to keep a safe distance between the front end of his vehicle and the rear of the vehicle immediately preceding him.

Section 27. Every person operating or driving a vehicle of any character upon a public street or alley, shall drive the same in a careful and prudent manner and at a rate of speed no greater than is reasonable and proper under the conditions existing at the point of operation, taking into account the amount and character of the traffic, condition of brakes, weight of vehicle, grade and width of roadway, condition of surface and freedom of obstruction in view ahead, and so as not to unduly or unreasonably endanger the life, limb, property or other rights of any person entitled to the use of the street or alley, or of any child or children of immature years upon or adjacent to the same, and in no event at a speed greater than twenty-five (25) miles per hour.

Subject to the above provisions of this section and except in those instances where a lower or higher speed is specified in this code, it shall be lawful for the driver of a vehicle to drive the same at a speed not exceeding the following:

Twenty (20) miles per hour: In traversing an intersection when the driver's view is obstructed, except on arterial highways and at intersections controlled by traffic signals when such signals are in operation. A driver's view shall be deemed to be obstructed when at any time during the last one hundred (100) feet of his approach to an intersection he does not have a clear and uninterrupted view of such intersection and of all public highways entering such intersection for a distance of one hundred (100) feet along the center line thereof, and when passing any school house on school days between the hours of 8:00 A. M. and 5:00 P. M., or school or public playground on any days between said hours.

Twenty-five (25) miles per hour: Throughout the Town, except as otherwise limited by this code.

The speed limits set forth in this code shall not apply to authorized emergency vehicles when operated in emergencies and the drivers thereof sound audible signal by bell, siren or exhaust whistle, or to members of the Town Fire Department or of the Pierce County Fire Prevention District No. 5 operating an automobile bearing an official Fire Department identification plate, when answering an alarm or emergency call. This provision shall not relieve the driver of such a vehicle from the duty to drive with due regard for the safety of all persons using the street nor shall it protect him from the consequences of a reckless disregard of the safety of others.

Section 28. It shall be unlawful for

any person to drive unnecessarily at such a slow speed as to impede or block the normal and reasonable movement of traffic.

Section 29. It shall be the duty of every person using the streets and alleys for vehicular traffic to observe the "rules of the road" as hereinafter prescribed.

Vehicles proceeding in opposite directions shall pass to the right of each other and of the center of the street except when otherwise directed by painted directional lines.

A vehicle overtaking another vehicle going in the same direction shall pass to the left of the vehicle so overtaken and shall not pull to the right until so far ahead as not to interfere with the progress of the overtaken vehicle; but in so passing, such vehicle shall not pass to the left of the center of the street unless the way ahead is free of approaching traffic.

The overtaking vehicle shall maintain its speed until clear of the vehicle overtaken, and the vehicle being overtaken shall keep to the right and shall not increase its speed while being passed.

The signal of an intention to pass an overtaken vehicle shall be given by one blast of the horn or other signalling device.

It shall be unlawful for the operator of a vehicle to pass any overtaken moving vehicle or animal near the crest of a hill or on a curve or at any point unless such operator has while so passing a clear view of the roadway ahead of not less than eight hundred (800) feet, or to pass, except upon arterial highways, any overtaken vehicle proceeding across an intersecting street.

It shall be unlawful for the driver of any vehicle when in line of traffic during congestion to overtake and pass another vehicle unless able to immediately regain a position within such line of traffic.

MARIE GUSTAFSON

Section 4. Said bonds shall be signed by the Mayor of the Town and attested by the Town Clerk under the corporate seal of the Town, and the interest coupons attached to said bonds shall be signed with the facsimile signatures of said officials.

Section 5. That there be and is hereby created a special fund to be known as "Gig Harbor 1948 Water Revenue Bond Redemption Fund" hereinafter referred to as the "Bond Fund", which fund is to be drawn upon for the sole purpose of paying the principal and interest of the bonds authorized herein.

The Town of Gig Harbor hereby obligates and binds itself to set aside and pay into said bond fund out of the gross revenues of

its water supply and distribution system and all additions and improvements thereto, certain fixed amounts necessary to pay the principal and interest on all of the outstanding bonds of the bond issue authorized herein as the same respectively become due and payable.

Except for the payment provided for in subsection (a) immediately below, such payments shall be made into said bond fund on or before the 20th day of each month in the amounts hereinafter specified:

(a) Immediately upon the sale of the bonds authorized herein, the town will pay into the bond fund the sum of \$4800 for the purpose of paying the interest due on these bonds on June 1, 1949, and December 1, 1949, out of funds which it will have on hand at that time and available for such purpose.

(b) Beginning with December, 1949, and continuing as long as any of the bonds authorized herein are outstanding and unpaid, an amount equal to at least one-sixth of the interest to become due and payable at the end of the next ensuing six-month period on all the bonds then outstanding.

(c) Beginning with December, 1949, and continuing as long as any of the bonds authorized herein are outstanding and unpaid, an amount equal to at least one-twelfth of the principal of said bonds to become due and payable on the next principal payment date.

Provided, however, that when there is sufficient money in said bond fund and the reserve account hereinafter created to pay the principal and interest to maturity of all the outstanding bonds authorized herein, then no further payments need be made into said bond fund.

Said amounts so pledged are hereby declared to be a prior lien and charge upon the gross revenues of said water supply and

distribution system and all additions and improvements thereto superior to all other charges of any kind or nature except the necessary cost of maintenance and operation of said system.

There is hereby created a reserve account in said bond fund, and in addition to the sums above required the town hereby agrees that it will pay into said reserve account the first available surplus revenues out of the gross revenues of said system and all additions and improvements thereto, and such other funds as may be available, so that there will be paid into said account the sum of \$8,000 on or prior to December 1, 1952. The town further agrees that once said sum of \$8,000 has been paid into said reserve account it will at all times maintain said sum therein until there is a sufficient amount in the bond fund and reserve account to pay the principal and interest to maturity of all of the outstanding bonds authorized herein. In the event there shall be a deficiency in the bond fund to meet maturing installments of either principal or interest, such deficiency shall be made up from the reserve account by withdrawal of cash therefrom. Any deficiency created in the reserve account by reason of any such withdrawal shall then be made up from moneys from the revenues of said system first available after making the necessary provision for the required payments into the bond fund.

All moneys in the reserve account above provided for may be kept in cash or invested in United States Government obligations maturing not later than twelve years from date of purchase. Interest earned on any such investments shall be deposited in and become a part of the bond fund.

Section 6. The corporate authorities of the Town of Gig Harbor hereby declare, in fixing the amounts to be paid into said bond fund and reserve account aforesaid, that they have exercised

due regard to the cost of operation and maintenance of said water supply and distribution system and have not obligated the town to set aside into said bond fund and reserve account a greater amount or proportion of the revenues of said system than in their judgment will be available over and above such cost of maintenance and operation.

Section 7. The town covenants with the owner and holder of each of said bonds as follows:

(a) The town will establish, maintain and collect rates and charges for water for as long as any of the bonds authorized herein are outstanding that will make available for the payment of the principal and interest of such bonds as the same shall accrue an amount equivalent to 1.5 times the average annual principal and interest payments due on such outstanding bonds. The amount "available for the payment of the principal and interest of such bonds as the same shall accrue" is hereby defined as "the gross revenues of such water supply and distribution system and all additions and improvements thereto, less expenses of operation, maintenance and taxes, but before depreciation."

(b) The town will at all times maintain and keep said system and all additions and improvements thereto in good repair, working order and condition and will at all times operate said system and the business in connection therewith in an efficient manner and at a reasonable cost.

(c) The town will not sell or otherwise dispose of the properties of such system unless provision is made for payment into the bond fund of a sum sufficient to pay the principal and interest of all of the outstanding bonds authorized herein in accordance with the terms thereof.

(d) The town will not expend any of the revenues derived from the operation of such system for any additions, improvements or extensions which are not economically sound and which will not advantageously contribute to the conduct of the system in an efficient and economical manner and <sup>further agrees that</sup> all revenues derived from the operation of such system not required by the town for making payments into the bond fund and reserve account, working capital, operating and maintenance expenses, and economically sound additions, improvements or extensions will be applied to the redemption of bonds prior to maturity in the manner hereinafter provided.

(e) The town will insure and keep insured all the insurable physical property of said system against all normal and reasonable risks and hazards and as usually insured by private corporations operating like properties.

(f) The town will keep proper books of account in accordance with rules of the Division of Municipal Corporations of the Auditor's Office of the State of Washington and will cause such books to be audited annually by said Auditor's office, or in the event they are not so audited, by an independent certified public accountant. The town agrees to furnish Grande & Co., Inc. of Seattle, Washington, with a copy of each such report or audit as soon as the same has been completed.

(g) All employees or agents of the town collecting or handling money of the town in connection with the management and operation of said water supply and distribution system shall be bonded by <sup>a</sup> responsible surety company or companies, commensurate with the funds they handle and in an amount sufficient to protect the town from loss.

Section 2. That there be and is hereby created a fund in the office of the Town Treasurer to be known as the "Water Supply &

Distribution System Construction Fund" and all moneys received from the sale of the bonds authorized herein shall be deposited in said fund and shall be used only for the purposes described in Ordinance No. 14 providing for the acquisition and construction of such water supply and distribution system. Provided, however, that in the event there is any surplus left in said fund after the payment in full of such costs of acquisition and construction and after setting aside a reasonable amount for working capital for such system, then any such surplus shall be first paid into the reserve account created in the bond fund by Section 5 of this ordinance and then into the bond redemption fund for the payment of the principal and interest due on the bonds authorized herein.

The town officials are hereby authorized and directed to do everything necessary for the construction and installation of such additions and improvements for the sale, execution and delivery of said bonds as hereinafter provided and for the proper application and use of the funds derived from such sale.

Section 9. The action of the town council on September 24, 1948, in accepting the written offer of the same date from Grande & Co., Inc. of Seattle, Washington, to purchase the bonds authorized herein under the terms and conditions as set forth in said offer to purchase and as fixed herein, and the action of the town council on October 4, 1948, in accepting an amendment <sup>dated October 4, 1948,</sup> to said written offer, and the action of the Mayor and Town Clerk in executing the acceptance of said offer and the amendment thereto are hereby in all respects ratified and confirmed.

property, health and safety of the people of the Town of Gig Harbor, Washington. An emergency is hereby declared to exist and this ordinance is hereby declared to be in full force and effect from and after its passage, approval and publication as required by law.

ORDINANCE NO 23

AN ORDINANCE PROVIDING FOR AND REGULATING MUNICIPAL ELECTIONS IN THE TOWN OF GIG HARBOR, SPECIFYING ELECTIVE OFFICES, PROVIDING FOR NOMINATIONS, PROVIDING FOR AND REGULATING THE HOLDING OF A NOMINATING CAUCUS, REPEALING CONFLICTING ORDINANCES, AND DECLARING AN EMERGENCY.

WHEREAS, The Washington State Legislature enacted Chapter 161, Laws of 1949, governing nomination of candidates for elective office of Towns of the Fourth Class; and

WHEREAS, The Town of Gig Harbor has no ordinance governing such matters, and in view of the forthcoming municipal election to be held the second Tuesday in March, 1950, the enactment of such an ordinance is an immediate necessity,

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE TOWN OF GIG HARBOR:

1. A general municipal election shall be held in the Town of Gig Harbor once each year, and such special elections as may from time to time be called.

2. All town elections, whether general or special, shall be held on the second Tuesday in March of the year in which they shall be called, provided, that this section shall not be construed as fixing the time for holding elections for the recall of any duly elected town official, and provided further, that whenever in the opinion of the Town Council an emergency exists which requires the holding of a special election, such council may by resolution call a special election for the purpose of meeting said emergency.

3. All elections called and held within the Town of Gig Harbor shall be conducted in the manner provided by the general election laws of the State of Washington.

4. Elective offices within the Town of Gig Harbor shall be Mayor, Treasurer and Councilman. All other town offices shall be filled by appointment by the Mayor or by action of the town council, as provided by law and/or the ordinances of the town.

5. No person shall be eligible to hold elective office within the Town of Gig Harbor who shall not have continuously resided within the corporate limits of the town for at least six months immediately preceding the date of the election to be held for that office, and who shall not be a registered voter within the town at the time of his nomination.

6. Nominations for elective office within the Town of Gig Harbor shall be made by party caucus, in the manner hereinafter provided, and there shall be no primary elections for the purpose of nominating candidates for any elective office of the said town.

7. A Mayor shall be elected each four years for a four year term, with the next election for such office after the effective date of this ordinance to be held in the year 1951. In the event of a vacancy in the office of Mayor, the senior councilman in point of length of continuous service on the town council shall

act as Mayor pro tempore until such vacancy shall be filled, and such vacancy shall be filled by election of a Mayor for the unexpired term at the next succeeding general town election, provided, that if such vacancy occurs during the final year of the regular term the Mayor pro tempore shall hold such office until the expiration of the regular term and until a successor is elected and qualified. Any councilman so acting as Mayor pro tempore shall retain his status as councilman.

8. A Treasurer shall be elected each four years for a four year term, with the next election for such office after the effective date of this ordinance to be held in the year 1951.. In the event of a vacancy in the office of Treasurer occurring during the regular term of that office, the Mayor shall appoint a qualified person to fill such office until a successor shall have been elected and qualified, and the unexpired term of such office shall be filled by election of a Treasurer at the next general town election, provided, that if such vacancy occurs during the final year of the regular term of such office, no election of a successor for the unexpired term shall be held and the appointive Treasurer shall hold such office until his successor is elected and qualified.

9. Five councilmen shall be elected for terms of two years each, with three such councilmen being elected in the even-numbered years and two during the odd-numbered years. In the event of a vacancy in the office of councilman, the Mayor shall appoint a qualified person to fill such office until a successor shall have been elected and qualified, and the unexpired term of such office shall be filled by the election of a councilman at the next general town election, provided, that if such vacancy occurs during the final year of the regular term of such office, the person appointed shall hold such office until the end of the regular term and until his successor is elected and qualified.

10. All nominations for elective office in the Town of Gig Harbor shall be made by caucus, to be held within the corporate limits of the Town not less than 30 nor more than 60 days prior to the date of the election. Notice of such caucus shall be given by publication thereof in the official paper of the Town, or in any newspaper of general circulation within the Town, once at least 10 days prior to the date of such caucus, and further by posting of copies of such notice in at least 3 public places within the Town, and by such further notice as the Town Clerk may see fit to give. Such notice shall state the time and place at which such caucus will be held, that the purpose thereof is to nominate persons to be voted upon at the ensuing Town election, shall specify the offices for which nominees shall be chosen, and shall further state that only qualified voters of the Town may attend and participate.

11. Said caucus shall be held within the corporate limits at the Town Hall, or at such other public place as the Town Clerk may designate or approve. No caucus shall be held in a private home. Said caucus shall be held in the evening at the hour of 8 o'clock P. M.

12. It shall be the duty of the Town Clerk to call said caucus prior to any municipal election requiring nominations to be made, and to give the notice thereof as above provided at the expense of the Town.

13. Said caucus shall be called to order by the Mayor, who shall act as temporary chairman. In his absence any councilman may preside, in order of seniority in point of length of service on the Council. The Town Clerk shall act as Clerk of the caucus. The first order of business shall be the selection of a permanent chairman, who shall be elected by ballot, and who shall preside throughout the remainder of the meeting. The caucus shall then proceed to nominate for the offices to be filled at the ensuing election, with names proposed by voice from the floor. In determining the nominee or nominees for each office to be filled, the three persons receiving the highest number of votes of said caucus shall be certified as the nominees for said office. Each vacancy in the office of councilman shall be considered a separate office for the purpose of determining the number of nominees only. Nominees shall be selected upon the basis of the highest number of votes received at said caucus, that is: the person receiving the highest number of votes shall be the first nominee, the person receiving the next highest number of votes shall be the second nominee, etc., provided that the caucus may nominate only one or two persons if that is the desire of the caucus, and provided further, that in the event of a tie for any such nomination the caucus shall choose by ballot between them. The Chairman shall appoint tellers and counters and otherwise arrange the details of balloting. Robert's Rules of Order shall govern the conduct of the caucus in all respects not herein provided.

14. Only qualified voters of the Town of Gig Harbor may attend and participate in any caucus, and it shall be the duty of the Town Clerk to cause each person attending said caucus to sign a register to be maintained by him for that purpose. Any person present may challenge the eligibility of any person claiming the right to participate, and all such disputes shall be determined by the Town Clerk.

15. Before any person nominated for election within the Town of Gig Harbor shall be certified on the ballot he shall appear before the Town Clerk before the expiration of seven days from the holding of said caucus and file a declaration of candidacy on a form provided for that purpose, and shall pay a candidacy fee of \$1.00. The name of any person nominated by said caucus who shall fail to comply with this provision shall not be certified by the Town Clerk to the Pierce County election board for placement on the ballot.

16. It shall be the duty of the Town Clerk to provide suitable ballots and ballot boxes, to keep accurate minutes and records of the actions of the caucus and of the ballot count, and to certify and read the names of the nominees at the next meeting of the Council and to file certificates of nomination as hereinbefore provided in the office of the County Auditor not less than 20 days before the ensuing town general election. It shall also be his duty, subject to the directions of the Council, to prepare the notice of caucus and to cause the same to be published and posted as herein required. He shall make proof of posting by affidavit which shall be filed with the records of the Town. In the event of his absence from the caucus, a clerk of the caucus shall be appointed by the temporary chairman, and certificate and minutes of such clerk shall be sufficient basis for the Town Clerk to file the certificates of nomination with the County Auditor.

17. If any portion of this ordinance shall be adjudged

invalid, such invalidity shall not affect the portions which are not adjudged invalid.

18. All ordinances or parts of ordinances in conflict herewith are hereby repealed insofar as the same are in conflict with this ordinance or any part thereof.

19. An emergency is hereby declared to exist and this ordinance shall become effective immediately upon the passage and publication thereof in the manner provided by law.

It shall not include vendors of milk, bakery products, groceries or ice who distribute their products to regular customers on established routes, nor shall it include any one engaged wholly in business at wholesale.

(b) "Canvasser" shall include any person, whether a resident of the Town of Gig Harbor, Washington, or not, who goes from house to house, place to place or from street to street, soliciting or attempting to take orders for the sale of goods, wares or merchandise, including magazines, books or periodicals, or other personal property of any nature whatsoever, for future delivery, or for services to be performed in the future.

No one so engaged shall be relieved of complying with the provisions of this ordinance merely by reason of associating temporarily with any local dealer, trader, merchant or auctioneer, or by conducting such transient business in connection with or as a part of, or in the name of, any local dealer, trader or auctioneer.

Section 3. Exemptions: This ordinance shall not be held to include newsboys, nor the acts of merchants or their employees in delivering goods in the regular course of business, nor shall the terms of this ordinance be held to include or apply to any farmer or truck gardener who shall vend, sell or dispose of, or offer so to do, with reference to the products of a farm or garden occupied and cultivated by him, nor shall anything herein contained be held to prohibit the sale of anything required by statute or the order of any court. Nor shall this ordinance be held to include persons taking orders for

Any Veteran who holds a special State license issued pursuant to the Revised Code of Washington, Section 73.04.050, shall be exempted from acquiring a license hereunder, but shall be required to comply with all provisions of moral fitness and business responsibility and shall be subject to the penalties provided herein on all applicable portions of this ordinance.
