

ORDINANCE NO. 768

AN ORDINANCE OF THE CITY OF GIG HARBOR, WASHINGTON, ADDING A NEW CHAPTER 5.10 TO THE GIG HARBOR MUNICIPAL CODE ENTITLED "LICENSING AND OPERATION OF ADULT ENTERTAINMENT FACILITIES" PROVIDING FOR THE LICENSING AND REGULATION OF ADULT ENTERTAINMENT FACILITIES, PROVIDING FOR THE LICENSING AND REGULATION OF THE MANAGERS AND ENTERTAINERS OF SUCH BUSINESSES, AND ESTABLISHING MISDEMEANOR OFFENSES AND CIVIL PENALTIES FOR VIOLATIONS OF THIS ORDINANCE.

WHEREAS, on April 8, 1996, the City of Gig Harbor ("City") held a public hearing, adopted findings of fact and approved Ordinance No. 718, establishing a one-year moratorium on the siting and operation of adult entertainment facilities with the intent to adopt zoning and licensing regulations for such businesses; and

WHEREAS, on December 12, 1996, the City held a public hearing, adopted findings of fact and approved Ordinance No. 743, regulating the location of adult entertainment facilities within the City; and

WHEREAS, the City is hereby adopting certain licensing and operational regulations governing adult entertainment facilities in order to mitigate and reduce unacceptable adverse secondary effects associated with and caused by adult entertainment facilities; and

WHEREAS, the City Council takes notice of and specifically relies upon the experiences of and studies utilized by other cities and counties in combating the negative secondary effects of various types of adult entertainment facilities; and

WHEREAS, based upon the public testimony and other information presented on this subject to the Planning Commission and City Council during the adoption of Ordinance No. 743, as well as additional evidence presented to the City Council in conjunction with the adoption of this ordinance, the City Council finds that the adoption of licensing and operational standards is necessary to protect the health, safety and welfare of its citizens; and

WHEREAS, there are important and substantial governmental interests providing a constitutional basis for the reasonable regulation of the time, place and manner under which adult entertainment facilities operate; and

WHEREAS, it is the intent of this ordinance to enact time, place and manner regulations which address the compelling interests of the City in mitigating the adverse secondary effects of adult entertainment facilities; and

WHEREAS, it is not the intent of this ordinance to unreasonably suppress any speech activities protected by the First Amendment or Article I, Section 5 of the Washington State Constitution, but to enact regulations which address the deleterious secondary effects of adult entertainment facilities, as well as the health problems associated with such businesses; and

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF GIG HARBOR, WASHINGTON, DO ORDAIN AS FOLLOWS:

Section 1. Purpose And Intent. It is the purpose of this ordinance to establish licensing requirements and operational standards for adult entertainment facilities to promote the health, safety, and general welfare of the citizens of the City of Gig Harbor. It is not the intent of the City Council that it should be the purpose or effect of this ordinance to impose a limitation or restriction on the content of any communicative materials, including sexually-oriented materials. Similarly, it is not the intent of the City Council that it should be the effect of this ordinance to restrict or deny access by adults to sexually-oriented materials protected by the State or Federal Constitutions, or to deny access by the distributors and exhibitors of sexually-oriented materials to their intended market. Finally, it is not the intent of the City Council to condone or legitimize the distribution of obscene materials.

Section 2. Findings of Fact. Based upon a wide range of evidence presented to the Gig Harbor City Council, including but not limited to studies, publications, articles, case law and other materials submitted to and reviewed and considered by the City Council and City staff, the City Council makes the following findings:

- A. The City Council may rely on the experiences and studies of other cities, counties and organizations in assessing the need for licensing and regulating the operation of adult entertainment facilities.
- B. The City Council takes notice of the studies and experiences of other cities and counties in combating the specific adverse impacts of adult entertainment facilities.
- C. The City Council finds that the protection and preservation of public health, safety and welfare requires establishment of this ordinance.
- D. Regulation of adult entertainment facilities should be developed to prevent deterioration and degradation of the vitality of the community before the problem exists, rather than in response to an existing problem.

- E. There are important and substantial government interests providing a constitutional basis for the reasonable regulation of the time, place, and manner under which adult entertainment facilities can operate.
- F. Certain conduct occurring on the premises of adult entertainment facilities creates secondary impacts that are detrimental to the public health, safety and general welfare of the citizens of the City, and therefore such conduct must be regulated as provided herein.
- G. Regulation of adult entertainment facilities through licensing and operational standards is necessary because, in the absence of such regulation, significant criminal and unlawful activity has historically and regularly occurred. This history of criminal and unlawful activity includes prostitution, illegal employment of minors, narcotics and alcoholic beverage law violations, breaches of the peace, tax evasion and the presence within the industry of individuals with hidden ownership interests and outstanding arrest warrants.
- H. The criminal and unlawful activities described in this ordinance occur, in the absence of regulation, regardless of whether the adult entertainment is presented in conjunction with the sale of alcoholic beverages.
- I. Adult entertainment facilities are increasingly associated with ongoing prostitution, disruptive conduct and other unlawful and criminal activity. Such uses and businesses are currently not subject to effective regulation and constitute an immediate threat to the public peace, health and safety.
- J. Due to the connection between prostitution and adult entertainment facilities, there is concern over sexually-transmitted diseases which is a legitimate health concern of the City and thus requires regulation of adult entertainment facilities in order to protect the health, safety and well-being of the public.
- K. Hidden ownership interests for the purpose of skimming profits and avoiding payment of taxes have historically occurred in adult entertainment facilities in the absence of regulation. These hidden ownership interests have historically been held by organized and white collar criminal elements. In order for the City to effectively protect the public health, safety, morals and general welfare of its citizens and effectively allocate its law enforcement resources, it is important that the City be fully apprised of the actual ownership of adult entertainment facilities, and the identities and backgrounds of persons responsible for management and control of adult entertainment facilities.

- L. The law enforcement resources available for responding to problems associated with or created by adult entertainment facilities are limited and are best conserved by licensing and regulating the operations of adult entertainment facilities.
- M. In order to ensure that all conditions and regulations of this ordinance are met, the City has established a reasonable time period for review of all license applications for adult entertainment facilities.
- N. Regulation of adult entertainment facilities is necessary to prevent public nuisances including moral nuisances.
- O. Proximity between entertainers and patrons during adult entertainment performances has proven to facilitate unlawful sexual contact, prostitution, narcotics transactions, and other related crimes; the City Council therefore finds it necessary to impose separation requirements between entertainers and patrons.
- P. A lack of lighting in adult entertainment facilities has proven to facilitate unlawful sexual contact, prostitution, and other related crimes; the City Council therefore finds it necessary to impose minimum lighting requirements within adult entertainment facilities to increase visibility for law enforcement purposes.
- Q. It is necessary to license managers of adult entertainment facilities so there will, at all times, be an individual responsible for the overall operation of the establishment, including the actions of entertainers and other employees.
- R. It is necessary to license entertainers in adult entertainment facilities to prevent the exploitation of minors, to ensure that each entertainer is an adult, and to ensure that each entertainer has not assumed a false name, which would make regulation of the entertainers difficult or impossible.
- S. The mandatory disclosure provisions required by this ordinance advance several legitimate goals. They protect minors, assure the correct identification of persons working in adult entertainment facilities, enable the City to deploy law enforcement resources effectively, and detect and discourage the involvement of organized crime in the adult entertainment industry.
- T. It is necessary to regulate the manner in which adult entertainers receive tips or gratuities; the City has a substantial interest in preventing prostitution and narcotics transactions in adult entertainment facilities.

- U. The application fees required by this ordinance are nominal fees necessary to defray the costs of processing the application and to help defray the substantial expenses incurred by the City in regulating adult entertainment facilities.
- V. Restricting the hours of operation is necessary to prevent the flow of patrons from bars and taverns to adult entertainment facilities.
- W. It is not the intent of this ordinance to unconstitutionally suppress or censor any expressive activities protected by the First Amendment of the United States Constitution or Article I, Section 5 of the Washington State Constitution, but rather to enact content-neutral time, place, and manner regulations designed to mitigate the deleterious secondary effects associated with and caused by adult entertainment facilities.

Section 3. New Chapter. A new chapter 5.10 entitled "Licensing and Operation of Adult Entertainment Facilities" is hereby added to Title 5 (Business Licenses and Regulations) of the Gig Harbor Municipal Code ("GHMC") to read as follows:

PART A: GENERALLY

5.10.010 Purpose. It is the intended purpose of this chapter to recognize the importance and benefits of freedom of expression to a democratic society. Experience has shown, however, that adult entertainment facilities, as defined herein, are detrimental to the public health, safety and welfare. Adult entertainment facilities are historically linked with organized crime, prostitution, narcotics, and other unlawful and criminal activity. These activities often lead to the development of public nuisances, including moral nuisances. Therefore, the licensing and operation of adult entertainment facilities should be regulated and monitored through the system of licensing and operating regulations contained in this chapter.

5.10.020 Scope. This chapter governs the licensing and operation of all adult entertainment facilities within the City. The location and siting of adult entertainment facilities is governed by the zoning regulations contained in Chapter 17.58 of the Gig Harbor Municipal Code. All adult entertainment facilities shall satisfy the requirements of both this chapter and Chapter 17.58 of the Gig Harbor Municipal Code.
