Section 4. Registration, Exchange and Payments.

(a) *Bond Registrar/Bond Register.* The City hereby specifies and adopts the system of registration approved by the Washington State Finance Committee from time to time through the appointment of state fiscal agencies. The City shall cause a bond register to be maintained by the Bond Registrar. So long as any Bonds remain outstanding, the Bond Registrar shall make all necessary provisions to permit the exchange or registration or transfer of Bonds at its principal corporate trust office. The Bond Registrar may be removed at any time at the option of the City upon prior notice to the Bond Registrar and a successor Bond Registrar appointed by the City. No resignation or removal of the Bond Registrar shall be effective until a successor shall have been appointed and until the successor Bond Registrar shall have accepted the duties of the Bond Registrar hereunder. The Bond Registrar is authorized, on behalf of the City, to authenticate and deliver Bonds transferred or exchanged in accordance with the provisions of such Bonds and this ordinance and to carry out all of the Bond Registrar's powers and duties under this ordinance. The Bond Registrar shall be responsible for its representations contained in the Certificate of Authentication of the Bonds.

(b) *Registered Ownership.* The City and the Bond Registrar, each in its discretion, may deem and treat the Registered Owner of each Bond as the absolute owner thereof for all purposes (except as provided in Section 16 of this ordinance), and neither the City nor the Bond Registrar shall be affected by any notice to the contrary. Payment of any such Bond shall be made only as described in Section 4(h) hereof, but such Bond may be transferred as herein provided. All such payments made as described in Section 4(h) shall be valid and shall satisfy and discharge the liability of the City upon such Bond to the extent of the amount or amounts so paid.

(c) *DTC Acceptance/Letters of Representations.* The Bonds initially shall be held in fully immobilized form by DTC acting as depository. To induce DTC to accept the Bonds as eligible for deposit at DTC, the City has executed and delivered to DTC a Blanket Issuer Letter of Representations. Neither the City nor the Bond Registrar will have any responsibility or obligation to DTC participants or the persons for whom they act as nominees (or the participants of any successor depository or those for who any such successor acts as nominee) with respect to the Bonds in respect of the accuracy of any records maintained by DTC (or any successor depository) or any DTC participant, the payment by DTC (or any successor depository) or any DTC participant of any amount in respect of the principal of or interest on Bonds, any notice which is permitted or required to be given to Registered Owners under this ordinance (except such notices as shall be required to be given by the City to the Bond Registrar or to DTC (or any successor depository)), or any consent given or other action taken by DTC (or any successor depository) as the Registered Owner. For so long as any Bonds are held in fully-immobilized form hereunder, DTC or its successor depository shall be deemed to be the Registered Owner for all purposes hereunder, and all references herein to the Registered Owners shall mean DTC (or any successor depository) or its nominee and shall not mean the owners of any beneficial interest in such Bonds.

If any Bond shall be duly presented for payment and funds have not been duly provided by the City on such applicable date, then interest shall continue to accrue thereafter on the unpaid principal thereof at the rate stated on such Bond until it is paid.

(d) *Use of Depository.*

(1) The Bonds shall be registered initially in the name of “Cede & Co.”, as nominee of DTC, with one Bond maturing on each of the maturity dates for the Bonds in a denomination corresponding to the total principal therein designated to mature on such date. Registered ownership of such immobilized Bonds, or any portions thereof, may not thereafter be transferred except (A) to any successor of DTC or its nominee, provided that any such successor shall be qualified under any applicable laws to provide the service proposed to be provided by it; (B) to any substitute depository appointed by the Designated Representative pursuant to subsection (2) below or such substitute depository’s successor; or (C) to any person as provided in subsection (4) below.

(2) Upon the resignation of DTC or its successor (or any substitute depository or its successor) from its functions as depository or a determination by the Designated Representative to discontinue the system of book entry transfers through DTC or its successor (or any substitute depository or its successor), the Designated Representative may hereafter appoint a substitute depository. Any such substitute depository shall be qualified under any applicable laws to provide the services proposed to be provided by it.

(3) In the case of any transfer pursuant to clause (A) or (B) of subsection (1) above, the Bond Registrar shall, upon receipt of all outstanding Bonds, together with a written request of the Designated Representative, issue a single new Bond for each maturity then outstanding, registered in the name of such successor or such substitute depository, or their nominees, as the case may be, all as specified in such written request of the Designated Representative.

(4) In the event that (A) DTC or its successor (or substitute depository or its successor) resigns from its functions as depository, and no substitute depository can be obtained, or (B) the Designated Representative determines that it is in the best interest of the beneficial owners of the Bonds that such owners be able to obtain such bonds in the form of Bond certificates, the ownership of such Bonds may then be transferred to any person or entity as herein provided, and shall no longer be held in fully-immobilized form. The Designated Representative shall deliver a written request to the Bond Registrar, together with a supply of definitive Bonds, to issue Bonds as herein provided in any authorized denomination. Upon receipt by the Bond Registrar of all then outstanding Bonds together with a written request of the Designated Representative to the Bond Registrar, new Bonds shall be issued in the appropriate denominations and registered in the names of such persons as are requested in such written request.

(e) *Registration of Transfer of Ownership or Exchange; Change in Denominations.*

The transfer of any Bond may be registered and Bonds may be exchanged, but no transfer of any such Bond shall be valid unless it is surrendered to the Bond Registrar with the assignment form appearing on such Bond duly executed by the Registered Owner or such Registered Owner's duly authorized agent in a manner satisfactory to the Bond Registrar. Upon such surrender, the Bond Registrar shall cancel the surrendered Bond and shall authenticate and deliver, without charge to the Registered Owner or transferee therefor, a new Bond (or Bonds at the option of the new Registered Owner) of the same date, maturity and interest rate and for the same aggregate principal amount in any authorized denomination, naming as Registered Owner the person or persons listed as the assignee on the assignment form appearing on the surrendered Bond, in exchange for such surrendered and cancelled Bond. Any Bond may be surrendered to the Bond

Registrar and exchanged, without charge, for an equal aggregate principal amount of Bonds of the same date, maturity and interest rate, in any authorized denomination. The Bond Registrar shall not be obligated to register the transfer or to exchange any Bond during the 15 days preceding any interest payment or principal payment date any such Bond is to be redeemed.

(f) *Bond Registrar's Ownership of Bonds.* The Bond Registrar may become the Registered Owner of any Bond with the same rights it would have if it were not the Bond Registrar, and to the extent permitted by law, may act as depository for and permit any of its officers or directors to act as member of, or in any other capacity with respect to, any committee formed to protect the right of the Registered Owners of Bonds.

(g) *Registration Covenant.* The City covenants that, until all Bonds have been surrendered and canceled, it will maintain a system for recording the ownership of each Bond that complies with the provisions of Section 149 of the Code.

(h) *Place and Medium of Payment.* Both principal of and interest on the Bonds shall be payable in lawful money of the United States of America. Interest on the Bonds shall be calculated on the basis of a year of 360 days and twelve 30-day months. For so long as all Bonds are in fully immobilized form, payments of principal and interest thereon shall be made as provided in accordance with the operational arrangements of DTC referred to in the Letter of Representations. In the event that the Bonds are no longer in fully immobilized form, interest on the Bonds shall be paid by check or draft mailed to the Registered Owners at the addresses for such Registered Owners appearing on the Bond Register on the fifteenth day of the month preceding the interest payment date, or upon the written request of a Registered Owner of more than \$1,000,000 of Bonds (received by the Bond Registrar at least 15 days prior to the applicable payment date), such payment shall be made by the Bond Registrar by wire transfer to the account

within the United States designated by the Registered Owner. Principal of the Bonds shall be payable upon presentation and surrender of such Bonds by the Registered Owners at the principal office of the Bond Registrar.

Section 5. Redemption and Purchase.

(a) *Optional Redemption.* The Bonds maturing on and prior to April 1, 2020 are not subject to optional redemption in advance of their scheduled maturity. The Bonds maturing on and after April 1, 2021 are subject to redemption at the option of the City on and after April 1, 2020 in whole or in part (and if in part, with maturities to be selected by the City) on any date at a price of par plus accrued interest to the date of redemption.

(b) *Mandatory Redemption.* Unless redeemed pursuant to the foregoing optional redemption provisions, the Bonds maturing on April 1, 2030 are Term Bonds subject to mandatory sinking fund redemption at a price of par plus accrued interest to the date of redemption on April 1 of the following years in the following principal amounts:

<u>Redemption Years</u>	<u>Redemption Amounts</u>
2026	\$ 360,000
2027	375,000
2028	390,000
2029	405,000
2030*	420,000

* Final Maturity

(c) *Purchase of Bonds for Retirement.* The City reserves the right to use at any time any surplus Gross Revenue available after providing for the payments required by paragraphs First, through Fifth of Section 6 of this ordinance, or other available funds, to purchase any of the

Bonds at any price deemed reasonable by the City to purchase for retirement any of the Bonds offered to the City at any price deemed reasonable to the City.

(d) *Selection of Bonds for Redemption.* For as long as the Bonds are held in book-entry only form, the selection of particular Bonds within a maturity to be redeemed shall be made in accordance with the operational arrangements then in effect at DTC. If the Bonds are no longer held in uncertificated form, the selection of such Bonds to be redeemed and the surrender and reissuance thereof, as applicable, shall be made as provided in the following provisions of this subsection (c). If the City redeems at any one time fewer than all of the Bonds having the same maturity date, the particular Bonds or portions of Bonds of such maturity to be redeemed shall be selected by lot (or in such manner determined by the Bond Registrar) in increments of \$5,000. In the case of a Bond of a denomination greater than \$5,000, the City and the Bond Registrar shall treat each Bond as representing such number of separate Bonds each of the denomination of \$5,000 as is obtained by dividing the actual principal amount of such Bond by \$5,000. In the event that only a portion of the principal sum of a Bond is redeemed, upon surrender of such Bond at the principal office of the Bond Registrar there shall be issued to the Registered Owner, without charge therefor, for the then unredeemed balance of the principal sum thereof, at the option of the Registered Owner, a Bond or Bonds of like maturity and interest rate in any of the denominations herein authorized.

(e) *Notice of Redemption.*

(1) Official Notice. For so long as the Bonds are held in uncertificated form, notice of redemption (which notice may be conditional) shall be given in accordance with the operational arrangements of DTC as then in effect, and neither the City nor the Bond Registrar will provide any notice of redemption to any Beneficial Owners. Thereafter (if the Bonds are no

longer held in uncertificated form), notice of redemption shall be given in the manner hereinafter provided. Unless waived by any owner of Bonds to be redeemed, official notice of any such redemption (which redemption shall be conditioned by the Bond Registrar on the receipt of sufficient funds for redemption) shall be given by the Bond Registrar on behalf of the City by mailing a copy of an official redemption notice by first class mail at least 20 days and not more than 60 days prior to the date fixed for redemption to the Registered Owner of the Bond or Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such Registered Owner to the Bond Registrar. Mailed notices will also be sent within the same period to the Underwriter or its business successor, if any.

All official notices of redemption shall be dated and shall state:

- (A) the redemption date,
- (B) the redemption price,
- (C) if fewer than all outstanding Bonds are to be redeemed, the identification by maturity (and, in the case of partial redemption, the respective principal amounts) of the Bonds to be redeemed,
- (D) that on the redemption date the redemption price will become due and payable upon each such Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date, and
- (E) the place where such Bonds are to be surrendered for payment of the redemption price, which place of payment shall be the principal office of the Bond Registrar.

On or prior to any redemption date, unless the redemption notice was conditional and the City shall thereafter have determined not to proceed with the redemption, the City shall deposit

with the Bond Registrar an amount of money sufficient to pay the redemption price of all the Bonds or portions of Bonds which are to be redeemed on that date.

(2) Effect of Notice; Bonds Due. If an unconditional official notice of redemption having been given as aforesaid, the Bonds or portions of Bonds so to be redeemed shall, on the redemption date, become due and payable at the redemption price therein specified, and from and after such date (unless the City shall default in the payment of the redemption price) such Bonds or portions of Bonds shall cease to bear interest. Upon surrender of such Bonds for redemption in accordance with said notice, such Bonds shall be paid by the Bond Registrar at the redemption price. Installments of interest due on or prior to the redemption date shall be payable as herein provided for payment of interest. All Bonds which have been redeemed shall be canceled and destroyed by the Bond Registrar and shall not be reissued.

(3) Additional Notice. In addition to the foregoing notice, further notice shall be given by the City as set out below, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as above prescribed. Each further notice of redemption given hereunder shall contain the information required above for an official notice of redemption plus (A) the CUSIP numbers of all Bonds being redeemed; (B) the date of issue of the Bonds as originally issued; (C) the rate of interest borne by each Bond being redeemed; (D) the maturity date of each Bond being redeemed; and (E) any other descriptive information needed to identify accurately the Bonds being redeemed. Each further notice of redemption may be sent at least 35 days before the redemption date to each party entitled to receive notice pursuant to Section 16, and to the Underwriter or to its business successor, if any, and to such persons and with such

additional information as the Designated Representative shall deem appropriate, but such mailings shall not be a condition precedent to the redemption of such Bonds.

(4) CUSIP Number. Upon the payment of the redemption price of Bonds being redeemed, each check or other transfer of funds issued for such purpose shall bear the CUSIP number identifying, by issue and maturity, the Bonds being redeemed with the proceeds of such check or other transfer.

(5) Amendment of Notice Provisions. The foregoing notice provisions of this Section 5, including but not limited to the information to be included in redemption notices and the persons designated to receive notices, may be amended by additions, deletions and changes in order to maintain compliance with duly promulgated regulations and recommendations regarding notices of redemption of municipal securities.

Section 6. Priority of Payments from Revenue Fund. There has heretofore been established in the office of the Treasurer a special fund of the City known as the “City of Gig Harbor Utility Revenue Fund” (the “Revenue Fund”), into which the Revenue of the System is deposited as collected. The Revenue Fund shall be held separate and apart from all other funds and accounts of the City, and the Revenue of the System shall be used only for the following purposes and in the following order of priority:

First, to pay the Costs of Maintenance and Operation of the System;

Second, to make all payments required to be made into the Bond Fund to pay the interest on any Parity Bonds;

Third, to make all payments required to be made into the Bond Fund to pay the maturing principal of any Parity Bonds;

Fourth, to make all payments required to be made into the Reserve Account created to secure the payment of the Parity Bonds;

Fifth, to make all payments required to be made into any other revenue bond redemption fund or revenue warrant redemption fund and debt service account or reserve account created to pay and secure the payment of the principal of and interest on any revenue bonds or revenue warrants of the City having a lien upon the Revenue of the System junior and inferior to the lien thereon for the payment of the principal of and interest on the Parity Bonds; and

Sixth, to retire by redemption or purchase any outstanding revenue bonds or revenue warrants of the City, to make necessary additions, betterments and improvements and repairs to or extensions and replacements of the System, or for any other lawful City purposes.

Section 7. Bond Fund. A special fund of the City known as the “Utility Bond Redemption Fund” (the “Bond Fund”) has heretofore been created by the City for the sole purpose of paying and securing the payment of Parity Bonds.

(a) *Payments into Debt Service Account.* A special account to be known as the “Debt Service Account” has heretofore been created in the Bond Fund for the purpose of paying the principal of, premium, if any, and interest on Parity Bonds.

As long as any Parity Bonds remain outstanding, the City hereby obligates and binds itself to set aside and pay from the Bond Fund into the Debt Service Account those amounts necessary, together with such other funds as are on hand and available in the Debt Service Account, to pay the principal of and the interest on such Parity Bonds on or prior to the respective dates the same become due (and if such payment is made on the due date, such payment shall be made in immediately available funds):

(1) Such amounts as are required to pay the interest scheduled to become due on outstanding bonds; and

(2) Such amounts with respect to outstanding bonds as are required (A) to pay maturing principal, (B) to make any required sinking fund payments, and (C) to redeem outstanding bonds in accordance with any mandatory redemption provisions.

(b) *Payments into Reserve Account.* A Utility Reserve Account has heretofore been created in the Bond Fund for the purpose of securing the payment of the principal of and the interest on all bonds payable out of such Fund.

In the event that the City issues any Term Bonds in the future and provides for the payment thereof by a mandatory schedule of payments into a sinking fund account in the Bond Fund, the term Average Annual Debt Service shall be deemed to exclude from principal an amount of Term Bonds equal to such mandatory payments, and from interest, the interest on such Term Bonds subsequent to the date of the respective deposits, and to include in lieu thereof the mandatory sinking fund deposits as of the date required and interest on Term Bonds provided for by such deposits only to the dates of the respective deposits.

The City hereby covenants and agrees that on the date of issuance of the Bonds it will pay into the Reserve Account (out of Revenue of the System or any funds on hand legally available for such purpose) one fifth of the Reserve Account Requirement, and thereafter not less than approximately equal additional annual payments so that by five years from the date of issuance of the Bonds there will have been paid into the Reserve Account an amount which, with the money already on deposit therein (or any insurance policy(ies) or letter(s) of credit), will be equal to the Reserve Account Requirement.

The City hereby further covenants and agrees that in the event it issues any Future Parity Bonds that it will provide in the ordinance authorizing the issuance of the same that it will pay into the Reserve Account out of the Revenue of the System or Assessments (or, at the option of the City, out of any other funds on hand legally available for such purpose) not less than approximately equal additional annual payments so that by five years from the date of such Future Parity Bonds there will have been paid into the Reserve Account an amount which, with the money already on deposit therein (or any insurance policy(ies) or letter(s) of credit), will be equal to the Reserve Account Requirement.

The City further covenants and agrees that when the required deposits have been made into the Reserve Account, it will at all times maintain therein an amount at least equal to the Reserve Account Requirement. Whenever there is a sufficient amount in the Revenue Bond Fund, including the Reserve Account and the Debt Service Account, to pay the principal of, premium if any, and interest on all outstanding Parity Bonds, the money in the Reserve Account may be used to pay such principal, premium and interest. Money in the Reserve Account may also be withdrawn to redeem and retire, and to pay the premium, if any, and interest due to such date of redemption, on any outstanding Parity Bonds, as long as the moneys left remaining on deposit in the Reserve Account are equal to the Reserve Account Requirement.

In the event there shall be a deficiency in the Debt Service Account to meet maturing installments of either interest on or principal of and interest on the outstanding bonds payable out of such Account, such deficiency shall be made up from the Reserve Account by the withdrawal of moneys therefrom. Any deficiency created in the Reserve Account by reason of any such withdrawal shall then be made up out of Revenue of the System or Assessments after making necessary provision for the payments required to be made by subparagraphs First, Second, Third,

Fourth and Fifth of Section 6 hereof.

(c) *Priority of Lien of Payments into Bond Fund.* The amounts so pledged to be paid into the Bond Fund are hereby declared to be a lien and charge upon the Revenue of the System junior in lien to the Costs of Maintenance and Operation, equal to the lien of the charges upon such Revenue to pay and secure the payment of the principal of and interest on the Outstanding Parity Bond and any Future Parity Bonds, and prior and superior to all other charges of any kind or nature whatsoever.

(d) *Application and Investment of Money in the Bond Fund.* Moneys in the Bond Fund shall be invested in any investments that are permitted by law for the investment of City funds. Investments in the Debt Service Account shall mature prior to the date on which such money shall be needed for required interest or principal payments. Investments in the Reserve Account shall mature not later than the last maturity of the Parity Bonds secured thereby. All interest earned and income derived by virtue of such investments shall remain in the Bond Fund and be used to meet the required deposits into any account therein.

(e) *Sufficiency of Revenues.* The Council hereby finds that in fixing the amounts to be paid into the Bond Fund out of the Revenue of the System, it has exercised due regard for the Costs of Maintenance and Operation and has not obligated the City to set aside and pay into such Fund a greater amount of such Revenue than in its judgment will be available over and above the Costs of Maintenance and Operation.

Section 8. Defeasance. In the event that money and/or Government Obligations maturing at such time or times and bearing interest to be earned thereon in amounts (together with such money, if necessary) sufficient to redeem and retire part or all of the Bonds authorized hereunder in accordance with their terms, are set aside in a special account of the City to effect

such redemption and retirement, and such moneys and the principal of and interest on such obligations are irrevocably set aside and pledged for such purpose, then no further payments need be made into the Bond Fund of the City for the payment of the principal of and interest on the Bonds so provided for, and such Bonds shall cease to be entitled to any lien, benefit or security of this ordinance except the right to receive the moneys so set aside and pledged, and except the right to receive the moneys so set aside and pledged, such Bonds shall be deemed not to be outstanding hereunder.

Section 9. Tax Covenants.

(a) *Arbitrage Covenant.* The City hereby covenants that it will not make any use of the proceeds of sale of the Bonds or any other funds of the City which may be deemed to be proceeds of such Bonds pursuant to Section 148 of the Code which will cause the Bonds to be “arbitrage bonds” within the meaning of said section and said Regulations. The City will comply with the requirements of Section 148 of the Code (or any successor provision thereof applicable to the Bonds) and the applicable Regulations thereunder throughout the term of the Bonds.

(b) *Private Person Use Limitation for Bonds.* The City covenants that for as long as the Bonds are outstanding, it will not permit:

(1) More than 10% of the Net Proceeds of the Bonds to be used for any Private Person Use; and

(2) More than 10% of the principal or interest payments on the Bonds in a Bond Year to be directly or indirectly: (A) secured by any interest in property used or to be used for any Private Person Use or secured by payments in respect of property used or to be used for any Private Person Use, or (B) derived from payments (whether or not made to the City) in respect of property, or borrowed money, used or to be used for any Private Person Use.

The City further covenants that, if:

(3) More than five percent of the Net Proceeds of the Bonds are to be used for any Private Person Use; and

(4) More than five percent of the principal or interest payments on the Bonds in a Bond Year are (under the terms of this ordinance or any underlying arrangement) directly or indirectly: (A) secured by any interest in property used or to be used for any Private Person Use or secured by payments in respect of property used or to be used for any Private Person Use, or (B) derived from payments (whether or not made to the City) in respect of property, or borrowed money, used or to be used for any Private Person Use, then, (i) any Private Person Use of the Project or Private Person Use payments described in subsection (4) hereof that is in excess of the five percent limitations described in such subsections (3) or (4) will be for a Private Person Use that is related to the state or local governmental use of the Project, and (ii) any Private Person Use will not exceed the amount of Net Proceeds of the Bonds used for the state or local governmental use portion of the Project to which the Private Person Use of such portion of the Projects relates. The City further covenants that it will comply with any limitations on the use of the projects by other than state and local governmental users that are necessary, in the opinion of its bond counsel, to preserve the tax exemption of the interest on the Bonds. The covenants of this section are specified solely to assure the continued exemption from regular income taxation of the interest on the Bonds.

(c) *No Designation under Section 265(b) of the Code.* The Bonds are not “qualified tax-exempt obligations” for investment by financial institutions under Section 265(b) of the Code.

Section 10. Bond Covenants.

(a) *Maintenance of System.* The City shall at all time maintain, preserve and keep the properties of the System in good repair, working order and condition and will from time to time make all necessary and proper repairs, renewals, replacements, extensions and betterments thereto, so that at all times the business carried on in connection therewith will be properly and advantageously conducted and said properties of the System and the business in connection therewith administered in an efficient manner and at a reasonable cost.

(b) *Collection and Application of Assessments.* The City will promptly collect all Assessments levied in utility local improvement districts that have been heretofore created by the City and all Assessments levied in utility local improvement districts heretofore created, and all utility local improvement districts that are hereafter created to secure the payment of the principal of and interest on Parity Bonds and will pay the same into the Bond Fund. The same may be used to meet required payments into any Account of the Bond Fund and may be used to pay the principal of and interest on any Parity Bonds without said Assessments being particularly allocated to the payment of any particular series of bonds payable out of such Fund. It is hereby further provided, however, that nothing in this ordinance or in this subsection shall be construed to prohibit the City from issuing revenue bonds having a lien on the Revenue of the System and the money in the Revenue Fund junior to the lien on such revenue and money for the payment of the principal of and interest on the Bonds and pledging as security for the payment of such junior lien bonds assessments levied in any utility local improvement district that may have been created to pay part or all of the cost of improvements to the System for which such junior revenue bonds were specifically issued.

(c) *Rates and Charges.* The City shall fix, maintain and collect rates and charges for the use of the services and facilities and all commodities sold, furnished or supplied by the System, which shall be fair and nondiscriminatory and shall adjust such rates and charges from time to time so that:

(1) the Revenue of the System derived therefrom, together with Assessments collected, will at all times be sufficient (A) to pay the Costs of Maintenance and Operation, (B) to pay the principal of and interest on all Parity Bonds, as and when the same shall become due and payable, (C) to make adequate provision for the payment of any Term Bonds, (D) to make when due all payments which the City is obligated to make into the Reserve Account and all other payments which the City is obligated to make pursuant to this ordinance, and (F) to pay all taxes, assessments or other governmental charges lawfully imposed on the System or the revenue therefrom or payments in lieu thereof and any and all other amounts which the City may now or hereafter become obligated to pay from the Revenue of the System by law or contract; and

(2) the Net Revenue together with Assessment Income in each calendar year will equal at least 1.25 times the maximum amount required to be paid in any succeeding calendar year for the principal of and interest on all Parity Bonds then outstanding. From and after the New Date, the maximum amount required to be paid as principal and interest shall be calculated net of any federal subsidy legally available to pay such principal and interest. In the event the City issues any Term Bonds, and provides for the payment thereof by a mandatory schedule of payments into a sinking fund account in the Bond Fund, the words “principal of and interest on all outstanding Parity Bonds” in the preceding sentence shall be deemed to exclude from “principal” an amount of Term Bonds equal to such mandatory payments, and from

“interest” the interest on such Term Bonds subsequent to the date of the respective deposits, and to include in lieu thereof the mandatory sinking fund deposits as of the date required and interest on Term Bonds provided for by such deposits only to the date of the respective deposits.

(d) *Net Revenue.* After making or providing for the monthly payments from the Revenue Fund as required by Section 6 hereof, there shall be maintained in the Revenue Fund sufficient moneys to enable the City to meet the Costs of Maintenance and Operation of the System on a current basis. The City shall not change any rate or charge for service of the System as now established by the existing rate ordinance or ordinances that will reduce substantially the annual Net Revenues below that which would have been obtained before such change, unless the City shall have on file a certificate from a licensed professional engineer experienced in the design, construction and operation of municipal utilities or from an independent certified public accountant stating that the rates and charges as so changed will provide Net Revenues sufficient to comply with all the covenants and requirements of this ordinance.

(e) *Sale of Properties.* The City will not sell or otherwise dispose of the System in its entirety unless simultaneously with such sale or other disposition, provision is made for the payment into the Bond Fund of cash or Government Obligations sufficient (taking into account interest to be earned on any such Government Obligations) to pay the principal of and interest on all then outstanding Parity Bonds, nor will it sell or otherwise dispose of any part of the useful operating properties of the System unless such facilities are replaced or provision is made for payment into the Bond Fund of the greatest of the following:

(1) An amount which will be in the same proportion to the net amount of Parity Bonds then outstanding (defined as the total amount of the Parity Bonds less the amount of cash and investments in the Bond Fund and Accounts therein) that the Revenue from the portion

of the System sold or disposed of for the preceding year bears to the total Revenue of the System for such period; or

(2) An amount which will be in the same proportion to the net amount of Parity Bonds then outstanding (defined as the total amount of the Parity Bonds less the amount of cash and investments in the Bond Fund and Accounts therein) that the Net Revenue from the portion of the System sold or disposed of for the preceding year bears to the total Net Revenue of the System for such period; or

(3) An amount which will be in the same proportion to the net amount of Parity Bonds then outstanding (as defined above) that the depreciated cost value of the facilities sold or disposed of bears to the depreciated cost value of the entire System immediately prior to such sale or disposition.

The proceeds of any such sale or disposition of a portion of the properties of the System (to the extent required above) shall be paid into the Reserve Account in the Bond Fund.

Notwithstanding any other provision of this paragraph, the City may sell or otherwise dispose of any of the works, plant, properties and facilities of the System or any real or personal property comprising a part of the same which shall have become unserviceable, inadequate, obsolete or unfit to be used in the operation of the System, or no longer necessary, material to or useful in such operation, without making any deposit into the Bond Fund.

(f) *No Encumbrances.* The City will not at any time create or permit to accrue or to exist any lien or other encumbrance or indebtedness upon the System or the Revenue of the System, or any part thereof, prior or superior to the lien thereon for the payment of Parity Bonds, and will pay and discharge, or cause to be paid and discharged, any and all lawful claims for labor, materials or supplies which, if unpaid, might become a lien or charge upon the Revenue of

the System, or any part thereof, or upon any funds in the hands of the City, prior to or superior to the lien of Parity Bonds, or which might impair the security of Parity Bonds.

(g) *Insurance.* The City will keep the works, plants and facilities comprising the System insured, and will carry such other insurance, with responsible insurers, with policies payable to the City, against risks, accidents or casualties, at least to the extent that insurance is usually carried by private corporations operating like properties, or will implement a self-insurance program with reserves adequate, in the judgment of the Council, to protect City and the owners of the Bonds against loss. In the event of any loss or damage, the City will promptly repair or replace the damaged portion of the insured property and apply the proceeds of any insurance policy for that purpose; or in the event the City should determine not to repair or reconstruct such damaged portion of the properties of the System, the proceeds of such insurance shall be paid into the Reserve Account to the extent that such transfer shall be necessary to make up any deficiency in said Reserve Account and the balance, if any, shall at the option of the City, be used either for repairs, renewals, replacements, or capital additions to the System, for the redemption of Parity Bonds, or for deposit into the Reserve Account.

(h) *Books and Accounts.* The City shall keep proper books of account which shall be kept in accordance with any applicable rules and regulations prescribed by the State of Washington. The City shall prepare, and any owner of Parity Bonds may obtain copies of, balance sheets and profit and loss statements showing in reasonable detail the financial condition of the System as of the close of each year, and the income and expenses of such year, including the amounts paid into the Revenue Fund, the Bond Fund, and into any and all special funds or accounts created pursuant to the provisions of this ordinance, and the amounts expended for maintenance, renewals, replacements, and capital additions to the System.

(i) *No Free Service.* The City will not furnish or supply or permit the furnishing or supplying of any commodity, service or facility furnished by or in connection with the operation of the System, free of charge to any person, firm or corporation, public or private, so long as any Bonds are outstanding and unpaid.

(j) *Sound Expenditures.* The City will not expend any of the Revenue derived by it from the operation of the System or the proceeds of any indebtedness payable from Revenue of the System for any extensions, betterments and improvements to the System which are not legally required or economically sound, and which will not properly and advantageously contribute to the conduct of the business of the System in an efficient manner.

(k) *Enforcement of Collection of Service Charges and Assessments.* The City shall promptly take action to enforce the payment of delinquent service charges and Assessments by such means as are legally available.

Section 11. Issuance of Future Parity Bonds. The City hereby further covenants and agrees with the owners of each of the Bonds for as long as any of the same remain outstanding as follows:

The City will not issue any bonds having a greater or equal priority of lien upon the Revenue of the System to pay and secure the payment of the principal of and interest on such bonds than the priority of lien created on such bonds than the priority of lien created on such Revenue to pay and secure the payment of the principal of and interest on the Parity Bonds except as follows:

(a) The City reserves the right to issue Future Parity Bonds for the purposes of

First, providing funds to acquire, construct, reconstruct, install, or replace any equipment, facilities, additions, betterments, or other capital improvements to the System for which it is authorized by law to issue revenue bonds, or

Second, refunding at or prior to their maturity, any revenue bond anticipation notes, or outstanding revenue bonds or other obligations payable out of the Revenue of the System and to pledge that payments will be made out of the Revenue of the System and into the Bond Fund and the Reserve Account therein to pay and secure the payment of the principal of and interest on such Future Parity Bonds on a parity with the payments required herein to be made out of such Revenue into such Fund and Account to pay and secure the payment of the principal of and interest on any Parity Bonds then outstanding, upon compliance with the following conditions:

(1) At the time of the issuance of any Future Parity Bonds there is no deficiency in the Bond Fund or the Reserve Account.

(2) If there are Assessments levied in any utility local improvement district to pay for additions and improvements to and extensions of the System which will be constructed from the proceeds of such Future Parity Bonds, the ordinance authorizing such Future Parity Bonds shall require that such Assessments be paid into the Bond Fund.

(3) If there are Assessments pledged to be paid into a warrant or bond redemption fund for revenue bonds or warrants being refunded by Future Parity Bonds, the ordinance authorizing the Future Parity Bonds shall require such Assessments to be paid into the Bond Fund.

(4) The principal of and interest on the Future Parity Bonds shall be payable out of the Bond Fund and the requirements for Reserve Account payments in Section 14(b) hereof shall be met.

(5) Prior to the delivery of any Future Parity Bonds the City shall have on file a certificate of an independent professional engineer, certified public accountant or City representative dated not earlier than 90 days prior to the date of delivery of such Future Parity Bonds and showing that the Net Revenue determined and adjusted as hereafter provided for each calendar or fiscal year after the issuance of such Parity Bonds (the "Adjusted Net Revenue") together with Assessment Income will equal at least 1.25 times the amount required in any such year for the payment of the principal of and interest on all Parity Bonds then outstanding, including the Future Parity Bonds proposed to be issued, except that the certificate of a City representative shall be based on actual historical Net Revenue of the System and no adjustments to that revenue shall be allowed. In the event the City issues any Term Bonds, and provides for the payment thereof by a mandatory schedule of payments into a sinking fund account in the Bond Fund, the words "principal of and interest on all outstanding Parity Bonds" in the preceding sentence shall be deemed to exclude from "principal" an amount of Term Bonds equal to such mandatory payments, and from "interest" the interest on such Term Bonds subsequent to the date of the respective deposits, and to include in lieu thereof the mandatory sinking fund deposits as of the date required and interest on Term Bonds provided for by such deposits only to the dates of the respective deposits. From and after the New Date, the "principal or interest" on Parity Bonds shall be calculated net of any federal subsidy legally available to pay the principal of or interest on Parity Bonds.

The Adjusted Net Revenue shall be the Net Revenue for a period of any 12 consecutive months out of the 24 months immediately preceding the date of delivery of such proposed Parity Bonds as adjusted by such engineer or accountant to take into consideration changes in Net Revenue estimated to occur under one or more of the following conditions for each year after such delivery for so long as any Parity Bonds, including the Future Parity Bonds proposed to be issued, shall be outstanding:

(i) any increase or decrease in Net Revenue which would result if any change in rates and charges adopted prior to the date of such certificate and subsequent to the beginning of such 12-month period, had been in force during the full 12-month period;

(ii) any increase or decrease in Net Revenue estimated by such Engineer or Accountant to result from any additions, betterments and improvements to and extensions of any facilities of the System which (a) became fully operational during such 12-month period, (b) were under construction at the time of such certificate or (c) will be constructed from the proceeds of the Parity Bonds to be issued;

(iii) the additional Net Revenue which would have been received if any customers added to the System during such 12-month period were customers for the entire period;

Such Engineer or Accountant shall base his or her certification upon, and his or her certificate shall have attached thereto, financial statements of the System audited by the State Examiner (unless such an audit is not available for a 12-month period within the preceding 24 months) and certified by the City Administrator, showing income and expenses for the period upon which the same is based.

The certificate of such Engineer or Accountant shall be conclusive and the only evidence required to show compliance with the provisions and requirements of this subsection (5).

Notwithstanding the foregoing requirement, if Future Parity Bonds are to be issued for the purpose of refunding at or prior to their maturity any part or all of the then outstanding Parity Bonds and the issuance of such refunding Parity Bonds results in a debt service savings and does not require an increase of more than \$5,000 in any year for principal and interest on such refunding Parity Bonds, the certificate required by subsection (a)(5) of this section need not be obtained.

(b) Nothing herein contained shall prevent the City from issuing revenue bonds or other obligations which are a charge upon the Revenue of the System junior or inferior to the payments required by this ordinance to be made out of such Revenue into the Bond Fund and Reserve Account to pay and secure the payment of any outstanding Parity Bonds.

(c) Nothing herein contained shall prevent the City from issuing revenue bonds to refund maturing Parity Bonds for the payment which moneys are not otherwise available.

The City may adjust such fiscal year by providing written notice of the change of fiscal year to the MSRB. In lieu of providing such annual financial information and operating data, the City may cross-reference to other documents available to the public on the MSRB's internet website.

If not provided as part of the annual financial information discussed above, the City shall provide the City's audited annual financial statement prepared in accordance with the Budgeting Accounting and Reporting System prescribed by the Washington State Auditor pursuant to RCW 43.09.200 (or any successor statute) when and if available to the MSRB.

(c) *Material Events.* The City agrees to provide or cause to be provided, in a timely manner, to the MSRB notice of the occurrence of any of the following events with respect to the Bonds if material:

- Principal and interest payment delinquencies;
- Non-payment related defaults;
- Unscheduled draws on debt service reserves reflecting financial difficulties;
- Unscheduled draws on credit enhancements reflecting financial difficulties;
- Substitution of credit or liquidity providers, or their failure to perform;
- Adverse tax opinions or events affecting the tax-exempt status of the Bonds;
- Modifications to rights of owners;
- Optional, contingent or unscheduled Bond calls other than scheduled sinking fund redemptions for which notice is given pursuant to Exchange Act Release 34-23856;
- Defeasances;

- Release, substitution or sale of property securing the repayment of the Bonds; and
- Rating changes.

Solely for purposes of disclosure, and not intending to modify this undertaking, the City advises that there is no property securing repayment of the Bonds, and there is no debt service reserve fund or account securing the repayment of the Bonds.

(d) *Notification Upon Failure to Provide Financial Data.* The City agrees to provide or cause to be provided, in a timely manner, to the MSRB, if any, notice of its failure to provide the annual financial information described in subsection (b) above on or prior to the date set forth in subsection (b) above.

(e) *Emma; Format for Filings with the MSRB.* Until otherwise designated by the MSRB or the Securities and Exchange Commission, any information or notices submitted to the MSRB in compliance with the Rule are to be submitted through the MSRB's Electronic Municipal Market Access system ("EMMA"), currently located at www.emma.msrb.org. All notices, financial information and operating data required by this undertaking to be provided to the MSRB must be in an electronic format as prescribed by the MSRB. All documents provided to the MSRB pursuant to this undertaking must be accompanied by identifying information as prescribed by the MSRB.

(f) *Termination/Modification.* The City's obligations to provide annual financial information and notices of material events shall terminate upon the legal defeasance, prior redemption or payment in full of all of the Bonds. This section, or any provision hereof, shall be null and void if the City (1) obtains an opinion of nationally recognized bond counsel to the effect that those portions of the Rule which require this section, or any such provision, are

invalid, have been repealed retroactively or otherwise do not apply to the Bonds; and (2) notifies the MSRB, if any, of such opinion and the cancellation of this section. Notwithstanding any other provision of this ordinance, the City may amend this Section 16 and any provision of this Section 16 may be waived, with an approving opinion of nationally recognized bond counsel.

In the event of any amendment of or waiver of a provision of this Section 16, the City shall describe such amendment in the next annual report, and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or in the case of a change of accounting principles, on the presentation) of financial information or operating data being presented by the City. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements, (I) notice of such change shall be given in the same manner as for a material event under Subsection (c), and (II) the annual report for the year in which the change is made should present a comparison (in narrative form and also, if practical, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles.

(g) *Bond Owner's Remedies Under This Section.* A Bond owner's right or Beneficial Owner's to enforce the provisions of this section shall be limited to a right to obtain specific enforcement of the City's obligations hereunder, and any failure by the City to comply with the provisions of this undertaking shall not be an event of default with respect to the Bonds under this ordinance.

Section 17. Lost or Destroyed Bonds. In case any Bond or Bonds shall be lost, stolen or destroyed, the Bond Registrar may execute and deliver a new Bond or Bonds of like date, number and tenor to the Registered Owner thereof upon the Registered Owner's paying the

expenses and charges of the City in connection therewith and upon his/her filing with the City evidence satisfactory to the City that such Bond was actually lost, stolen or destroyed and of his/her ownership thereof, and upon furnishing the City with indemnity satisfactory to the City.

Section 18. Supplements and Amendments.

(a) *Without Consent.* The Council from time to time and at any time may adopt an ordinance or ordinances supplemental hereof, which ordinance or ordinance thereafter shall become a part of this ordinance, for any one or more or all of the following purposes:

(1) To add to the covenants and agreements of the City contained in this ordinance other covenants and agreements thereafter to be observed, which shall not adversely affect the interests of the owners of any Parity Bonds, or to surrender any right or power herein reserved to or conferred upon the City.

(2) To make such provisions for the purpose of curing any ambiguities or of curing, correcting or supplementing any defective provision contained in this ordinance or any ordinance authorizing Parity Bonds in regard to matters or questions arising under such ordinances as the Council may deem necessary or desirable and not inconsistent with such ordinances and which shall not adversely affect the interest of the owners of Parity Bonds.

Any such supplemental ordinance of the Council may be adopted without the consent of the owners of any Parity Bonds at any time outstanding, notwithstanding any of the provisions of subsection (b) of this section.

(b) *With Consent.* With the consent of the owners of not less than 65% in aggregate principal amount of the Parity Bonds at the time outstanding, the Council may adopt an ordinance or ordinances supplemental hereto for the purpose of adding any provisions to or

changing in any manner or eliminating any of the provisions of this ordinance or of any supplemental ordinance; provided, however, that no such supplemental ordinance shall:

(1) Extend the fixed maturity of any Parity Bonds, or reduce the rate of interest thereon, or extend the time of payments of interest from their due date, or reduce the amount of the principal thereof, or reduce any premium payable on the redemption thereof without the consent of the owner of each Bond so affected; or

(2) Reduce the aforesaid percentage of owners of Bonds required to approve any such supplemental ordinance, without the consent of the owners of all of the Parity Bonds then outstanding.

It shall not be necessary for the consent of the Bondowners under this subsection (b) to approve the particular form of any proposed supplemental ordinance, but it shall be sufficient if such consent shall approve the substance thereof.

(c) *Effect of Supplemental Ordinance.* Upon the adoption of any supplemental ordinance pursuant to the provisions of this section, this ordinance shall be deemed to be modified and amended in accordance therewith, and the respective rights, duties and obligations of the City under this ordinance and all owners of Parity Bonds outstanding hereunder shall thereafter be determined, exercised and enforced thereunder, subject in all respect to such modification and amendments, and all the terms and conditions of any such supplemental ordinance shall be deemed to be part of the terms and conditions of this ordinance for any and all purposes.

(d) *Notation on Future Parity Bonds.* Parity Bonds executed and delivered after the execution of any supplemental ordinance adopted pursuant to the provisions of this section may have a notation as to any matter provided for in such supplemental ordinance, and if such

supplemental ordinance shall so provide, new bonds so modified as to conform in the opinion of the Council, to any modification of this ordinance contained in any such supplemental ordinance, may be prepared by the City and delivered without cost to the owners of any affected Parity Bonds then outstanding.

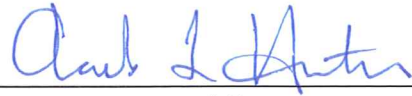

Section 19. Severability. If any one or more of the covenants or agreements provided in this ordinance to be performed on the part of the City shall be declared by any court of competent jurisdiction to be contrary to law, then such covenant or covenants, agreement or agreements, shall be null and void and shall be deemed separable from the remaining covenants and agreements of this ordinance and shall in no way affect the validity of the other provisions of this ordinance or of the Bond.

Section 20. Effect of Covenants, Etc.. All covenants, obligations and agreements of the City contained in this ordinance shall be deemed to be covenants, obligations and agreements of the City to the full extent authorized by the Act and permitted by the Constitution of the State of Washington. No covenant, obligation or agreement contained herein shall be deemed to be a covenant, obligation or agreement of any present or future official, member, agent or employee of the City in his or her individual capacity, and neither the members of the Council nor any officer thereof executing the Bond shall be liable personally on the Bond or be subject to any personal liability or accountability by reason of the issuance thereof. No member, officer, agent or employee of the City shall incur any liability in acting or proceeding or in not acting or proceeding, in good faith in accordance with the terms of this ordinance.

Section 21. Effective Date. This ordinance shall be effective five days after its passage and publication in the manner required by law.
